Repair Charges

This Repair Price chart is a guide to common larger repair jobs only and does not include minor repairs or emergency repairs. When I assess an instrument I decide whether a minor or specific repair is all that is required or whether the instrument needs more extensive work such as a service, overhaul, or repad. I do not charge to assess most instruments but if I happen to fix an instrument (brought to me because it is not working properly) whilst assessing it, I will charge £13.50 which is half my normal minimum repair charge - note I do charge £13.50 to assess less common instruments such as: Alto & Bass clarinets, Alto & Bass Flutes, Baritone Saxophones, Graduate/Professional Oboes & Cor Anglais; and I charge £27 to assess Soprano Saxophones and Bassoons. Except in emergencies, instruments need to be brought in the day before I am due to work on them and they cannot be collected until the day after they have been repaired.
