Repair Charges

This Repair Price chart is a guide to common larger repair jobs only and does not include minor repairs or emergency repairs. When I assess an instrument I decide whether a minor or specific repair is all that is required or whether the instrument needs more extensive work such as a service, overhaul, or re-pad. I do not charge to assess most instruments but if I happen to fix an instrument (brought to me because it is not working properly) whilst assessing it, I will charge £14.00 which is half my normal minimum repair charge. Please note that I do charge to assess less common or budget instruments when I examine them for the first time - although usually this charge is waived if a repair is authorised. The charges are £14.00 for Alto & Bass clarinets, Alto & Bass Flutes, Baritone Saxophones, Graduate/Professional Oboes & Cor Anglais; and £28 for Bassoons and Soprano Saxophones. Except in emergencies, instruments need to be brought in the day before I am due to work on them and they cannot be collected until the day after they have been repaired.
